MORE COUNTY HIGH SCHOOLS

Important Action by County
Board Aiming to Extend
Privileges

PROF. REUBENS IS WILLING TO
WAIVE EXCLUSIVE CONTRACT

Conference of High School Principals of
the County is Asked by
County Board

Important action was taken yesterday by the County Board of Education, bearing upon the question of the extension of the county high school free tuition privileges and aiming at such extension as will give the opportunity of a free high school education to a large number of students who have for the past two years been denied this privilege. The matter was brought before the Board just before adjournment at noon by Paul M. Moore, who said he desired to present it more fully in the afternoon and asked that the Board take time to fully consider. Mr. Moore said he believed that the exclusive contract given the Madisonville school two years ago was contrary to the spirit of the law, which aimed to provide a free high school education for all the common school graduates of the county and not alone those whom convenience of location or superior means or preference enabled to attend the only school as yet provided; that such contract worked a hardship on those children living at a distance from the county seat and deprived them the equal opportunity contemplated by the law; that on this account he had always doubted the legality of the contract and he had been informed that the courts have decided against such exclusive contracts. After dinner Prof. Reubens, superintendent of the Madisonville school was invited into the meeting and the question was fully discussed with him. Prof. Reubens said he would not object to waiving the exclusive feature of the contract with his school, so that the tuition contrast might be extended by the Board to other qualified schools of the county, provided he and the principals of the Dawson Springs, Hanson and Earlington schools could confer and reach an agreement as to courses, teachers and number of years high school taught. Expressions of thanks were extended to Prof. Reubens by members of the Board for this inclination to assist in relieving the situation and Mr. Moore asked the professor to write a resolution to cover the matter, which he did. Mr. Moore then added, with Prof. Reubens' sanction, the last clause reading "with a view to extending the County High School privileges."

The resolution in full is as follows: "Resolved: That the County Board of Education ask the principals of the Earlington, Dawson and Hanson schools to meet with the superintendent of the Madisonville school to prepare a report to the County Board relative to the education of our common school graduates, with a view to extending the County High School privileges."

The resolution was adopted and the secretary of the Board was instructed to extend the invitation for a conference in accordance with the resolution. This conference will probably be held within a few days,

or as soon as all the principals concerned can arrange to get together. It is the expectation by members of the Board that an agreement will be reached and a favorable report be made so that the Board may take definite action at its next meeting to extend the privileges.

PROMINENT YOUNG COUPLE TO MARRY

While on the Bee's Mammoth
Cave Via Evansville and
Green River Trip

YOUNG LADY IS FROM EARLINGTON

It has leaked out that two of the party who will accompany the Bee's Mammoth Cave crowd on September 2nd via Evansville and Green River have planned to spring a big surprise by getting married in the bridal chamber of the Cave. It is said they have made arrangements with a Glasgow minister to come over and precede them in the cave and be waiting in the bridal chamber where they will be married in the presence of the entire party. This would certainly be a romantic proceeding and one that is out of the ordinary. While a wedding in cave suits would not enable the bride to show her wedding finery, still it would enable her to show among other things that she possessed a great deal of originality.

Church Notes

Sunday seemed like old times again with the regular minister in the pulpit both morning and evening. He had been absent the two previous Sundays in a meeting with another church.

The C. W. B. M. Auxiliary will meet in the church tomorrow, Wednesday, at 3 p. m. and a good time is expected. A good program with an experienced leader will assure the interest of all who may attend. All ladies are invited.

There was one added to the membership of the church last Sunday night. Others have promised to join this congregation in their work and are expected to take their places next Sunday.

Rev. W. H. Moore is ill at his home in the country some two miles east of Earlington. The indications are that he will be able to be out again in a few days.

The minister of this church has been engaged by the minister of the Madisonville church, Rev. S. M. Bernard, to attend to his outside work, that is funerals, weddings, etc., during the absence of Mr. Bernard on his vacation in Colorado.

Mrs. F. B. Arnold will lead the mid week service on Wednesday evening, and an interesting service is expected to which every body is invited.

Dr. and Mrs. Stanley spent Monday in Madisonville, on business and pleasure bent, we suppose.

MISS SISK LEADS AGAIN

Several Changes in the Standing
of the Contestants

MISS OATES GETS IN THE RUNNING

The Bee's Mammoth Cave contest is going with a rip. Interest is growing and the contestants are beginning to make things hum. The leaders are beginning to prepare for the grand dash from now until the first of September, as the heavy increase in votes testifies. Nothing perhaps has created as much interest throughout the county for a long time as has this contest. This trip is well worth trying for and will always linger as a pleasant memory in the minds of those who will be fortunate enough to be the winners.

Miss Sisk goes to the head again, with Miss Waller a close second. Miss Medlock moving up to third place, while Miss Verna Oates goes to fourth position.

All the candidates are doing splendid work and new subscribers are coming in rapidly. There will be 35 people in addition to the five candidates who will make the trip. Mrs. J. E. Fawcett and Paul M. Moore will chaperone the young people and see they are well taken care of and have the best of everything on the trip. It will be well for all parties who expect to make this trip to notify this office not later than August 30th and should deposit the \$17.50 with the Bee on August 31st.

Following are the names and standing of contestants to date. This information will be published in each issue of the paper until the contest closes:

Ida Lee Sisk, Earlington	38,885
Miss Aurelia Waller, Earlington	36,050
Miss Cath Medlock, Mortons	30,225
Miss Verna Oates, Madisonville	25,625
Miss Willie Jenkins, St. Charles	24,325
Miss Bernice Wimberly, Madisonville	19,300
Lilly Harris, Madisonville	16,025
Miss Louise McPherson, Madisonville	4,850
Miss Ruth McNeal, Madisonville	2,500
Miss Trixie Robertson, Madisonville	4,000
Mrs. Walter Daves, Earlington	1,100

Long-Bishop

Quite a surprise was witnessed last Monday evening among the friends of Dr. R. W. Long and Miss Frances Bishop, occasioned by the receipt of a telegram from Paducah signed by the bride and groom and addressed to the brides family, announcing the fact that they were united in marriage at ten o'clock Monday morning.

The ceremony took place at the home of the bride's sister, Mrs. W. H. Sugg, at 1111 Jefferson street, the bride and groom left immediately afterward for a visit in Louisville. No one outside of the immediate family of the bride knew anything of the marriage until the telegram was received.

Miss Frances Bishop is one of Madisonville's most attractive young ladies, while Dr. Long is one of the leading physicians of this city.

South End Bridge Club

Mrs. E. L. Young very charmingly entertained the South-End Bridge Club Tuesday morning at her home in East Center street.

Miss Ethel Golladay, of Hopkinsville, Miss Virginia Nunn, of Frankfort, and Miss Hallie McClung, of Huntington, West Va., Mrs. Ruby Laffoon, Misses Winnie Ashby and Ellie Gardiner and Mrs. C. N. Nisbet, of this city, were the visiting guests.

Miss Florence Allyn made the highest score in the club, and was presented a pair of beautiful black silk hose, while Miss Nunn won the visitors' prize, an exquisite piece of bric-a-brac.

The luncheon served at the conclusion of the games was most elaborate.

Melon Feast

Mr. and Mrs. C. N. Nisbet entertained informally Tuesday evening at their home in East Center street at a melon feast in honor of several visitors in the city. Their guest included Misses Louise Wilson, of Denver, Colo., Virginia Nunn, of Frankfort, and Ethel Golladay, of Hopkinsville, Essie Lynn, Florence Allyn, Ellie and Isabelle Gardiner, of this city, Messrs. Ernest Dunkerson, Turner Ruby, Lisle Robinson, Albert Noe, Lucian Ruby, Mr. and Mrs. E. L. Young and Mr. and Mrs. F. O. Baker.

Miss Goldamer's House Party

Misses Margaret and Louise McPherson and Miss Lucy Fawcett, of this city, who are attending the house-party of Miss Rose Goldamer in Princeton, have been honored guests of many social functions given in Princeton this week.

Entertains at Tea

Miss Mary Ruby Morton entertained at tea Thursday afternoon in honor of Miss Louise Wilson, of Denver, Colo., and Miss Virginia Nunn, of Frankfort.

Mr. Jim Sparks, of Morganfield, was in this city Monday.

THIRTY THOUSAND MINERS EXPECTED

To Attend the Great National
Mine Safety Demonstration
to be Held

IN PITTSBURG OCTOBER 26 AND 27

Washington, D. C., August 14.—Thirty thousand miners are expected to attend the great National Mine Safety Demonstration to be held in Pittsburgh, Pa., October 26 and 27 under the auspices of the Federal Bureau of Mines, the American Red Cross, the Pittsburgh Coal Operators' Association and the United Mine Workers of America.

The date, which was originally set for September 16, has been changed so that President Taft may be present on the second day October 27, to witness a mimic mine explosion in a temporary steel gallery on Forbes field, an exhibition of rescue work by helmeted miners following an explosion, and to review the parade of miners.

The President will make an address and will present souvenir prizes to the miners taking part in the first-aid-to-the-injured and rescue work exhibition. Walter L. Fisher, secretary of the Interior Department, Governor Tauer, of Pennsylvania and Dr. Joseph A. Homes, the director of the Bureau of Mines will be present. The general arrangements for the demonstration are in charge of H. M. Wilson, engineer-in-charge of the Bureau of Mines.

The demonstration, the purpose of which is to teach greater safety in mining, will begin the morning of October 25, at the Experiment Station of the Bureau of Mines, Fortieth and Butler Street. The first day will be devoted to the interests of the mine operators, mine owners, mining engineers and superintendents of mines. There will be an explosion of coal dust in the experiment gallery and test of mine safety lamps in gas. The danger of electric sparks in gas and coal dust will also be shown in one of the galleries.

A class of miners will be trained in the use of the oxygen helmet which permits breathing in poisonous gases for a period of two hours. The Oxygen helmet has proved a valuable aid in entering mines filled with fire damp following an explosion.

The demonstration will be along the same line so successfully used in the Arnold Mines, of the St. Bernard Mining Co. at this place, this Spring. The Mine Rescue Car was in charge of Government Expert, R. T. Williams from the Sub-Station, at Evansville, Ind.

LONGER TERMS COMMON SCHOOLS

Number of "Common Schools"
Being Taught for Less
Than Legal Term

Resolution Adopted by County
Board to Remedy Situation

A movement was undertaken by the County Board of Education at its meeting yesterday having as its purpose the extension to a full six months, term a number of "common schools" in Hopkins county that have in the past been taught for shorter terms because the per capita in those districts was not sufficient to pay a teacher longer. The result of a resolution offered by Paul M. Moore and amended at suggestion of Mr. Harland, a committee was named consisting of Supt. Fox, B. L. Franklin and J. L. O'Bryan to investigate the financial condition of the Board and to see if it is expedient and possible to put into effect this year the provisions asked for by the original resolution. The resolution offered by Mr. Moore follows:

Resolution

Whereas; There are free public schools in Hopkins county which have in the past been taught for periods of less than six (6) months in one school year, and

Whereas; Section 4964, Kentucky Statutes, in defining the term "Common School" says:

"No school shall be deemed a 'common school' within the meaning of this chapter, or be entitled to any contribution out of the school fund, unless the same has been, pursuant hereto, actually kept by a qualified teacher for six months in all subdistricts during the same school year, and at which every child in the in the district between the ages of six and twenty years, has had the privilege of attending, whether contributing towards defraying the expenses or not." And,

Whereas; It is clearly against the law for any "common school" to be taught for less period than six months, or under circumstances that render impossible the attendance of pupils entitled to the privileges of such schools; Therefore,

Resolved; That, beginning with the present school year, arrangements shall be made to extend all such short-term schools in Hopkins county so that each of these schools shall be taught for the full legal term of six months, the supplementing of teachers salaries and any other necessary expense to be defrayed by this Board out of the county school levy.

Resolved; That to facilitate the purposes of this resolution, a committee of three shall now be named, to consist of the Chairman of this Board and two members thereof to be named by him, and that this committee is given full power to arrange with teachers and to do any other thing necessary to carry out this resolution; and that all necessary expenses of this committee shall be met by this Board."

Mr. Harland's amendment modified the duties of the committee as stated above. Mr. Moore made argument in support of his resolution and produced court decisions and opinions by the State Superintendent of Public Instruction and by the Attorney-General. He argued that while the Board was expending the tax levy for many new school houses and almost wholly upon material things, it should not neglect or refuse to provide for every child the full legal six months of common school.

There are six or seven white schools in the county that have been getting short terms, some of them two months, and about as many colored schools.

Fishing

No charge of irreverence ought to stand against us when we say that David must have been inspired by high thoughts concerning the joys of fishing when he wrote: "He leadeth me besides—the still waters, * * * My cup runneth over." David was a shepherd, but the green pastures are hard by the running brooks. Did he fish? Certainly he did. Fishing is the one sanctified sport. The father of lies speaks only through men who don't know how to fish and can't learn. Life is life where the woods come down to the water. There are no old fishermen. They die, but the headstone-maker lies in spirit when he chips aged anything over 21 in the marble.

It is not all nor one-tenth of all of fishing to catch fish. A musky or two, or half a dozen small-mouth bass, or a dozen brook trout: enough for a day's catch and for full knowledge of the riches of contentment. As for the rest, it shall be added unto you. When fishing you see things hear things and learn things never seen, heard or learned by anyone but the fisherman. His is the joy perpetual, present active, future potential and past retrospective. Go fishing.—Chicago Evening Post.

Slanderer Apologizes

A peculiar entry has been discovered in Deed Book "B" of the Christian county court and herewith is a story a century and a quarter old:

One Robert Johnson, in whose heart no doubt rankled the sting of a refusal at Cupid's altar, ventured to whisper slighting remarks about Iness Brooks, daughter of Jesse Brooks. The rumor reached the ears of the stern old father and with the energy and decision that must have been characteristic of the old gentleman, he approached the slanderer and demanded that the false reports be straightened out at once. Johnson was good at heart and realized the littleness of his own deed. Together with his own father, he accompanied Mr. Brooks to Hopkinsville and had the appended statement duly entered:

"Whereas, I have offended in reporting that, that is scandalous against the character of Jess Brooks' daughter, Iness, I hereby acknowledge my wrong and that I am sorry that I ever wrote or said anything touching her character for I do profess I never said anything of her that was scandalous. Given from under my hand this 26th day of March, 1797.

ROBERT JOHNSON.
Attest: Jno. Clark, C. C.

"Test.
"David Johnson.
"Jesse Brooks.

"At April quarterly session court 1797 this instrument of writing was proved in court by the oath of Jesse Brooks and ordered to be recorded.

"Attest: JNO. CLARK, C. C. C.

The page and ink is yellow with age; the spelling is crude, the long "s" of the period is prominent. It is the only instance of such a proceeding ever recorded in Christian county. It is a relic of the good old days when to tarnish the good name of woman was a highly dangerous proceeding; when a father did not hesitate to turn against his son when he turned slanderer.—New Era.

PRINTERS IN CONVENTION

Fifty-Seventh Session of the Union Opens in San Francisco

San Francisco, Aug. 14.—The 57th session of the International Typographical Union was opened here today with an address by Mayor P. H. McCarthy and remarks from representatives of the daily press, the commercial printing branch of the industry and from representatives of the local typographical union. Response was made by President Lynch, of the International Typographical Union.

While the union was organized in 1852, this is the fifty-seventh convention that has been held by the International Typographical Union; it is not the fifty-seventh annual gathering. In 1894 the organization adopted the biennial idea and no convention was held in 1895 or in 1897; a return to annual conventions began with 1898, and they have been held yearly since that time.

The reports of officers submitted to the convention today shows that for the fiscal year ending May 31, 1910, the membership of the International Typographical Union earned \$45,602,944, or an average of \$953 per member. For the fiscal year ending May 31, 1911 the membership earned the total of \$49,770,688, or an average per member of \$973.

The average membership for the fiscal year ending with May, 1911, was 51,065, while the average membership for the prior fiscal year was 47,848.

These figures represent an increase in earnings of more than \$4,000,000, and an increase in average membership of 3,247.

It was stated in the reports that at this time the average paying membership was more than 83,000.

The convention is quite largely attended, and will be in session throughout the week.

Tortured For 15 Years.

by a cure-defying stomach trouble that baffled doctors, and resisted all remedies he had tried, John W. Modders, of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "he can't live much longer." "Whatever I ate distressed me," he wrote, "till I tried Electric Bitters, which worked such wonders for me that I can now eat things that I could not take for years. Its surely a grand remedy for stomach trouble." Just as good for liver and kidneys. Every bottle guaranteed. Only 50c at all druggists.
